Hi All,

Another agenda item for tomorrow:

We are currently compiling M&A highlights and M&E indicators for the P2 Annual Report. **Let's discuss any partner-wide M&A activities we should include, or specific activities from your orgs**. Feel free to send any bullets on this in advance, or on the call.

I'm attaching "Appendix 1" which includes the M&A products that were included in the Y3 semi-annual report.

Cheers,
Kevin
